7	I found the inclusion of health and mental health especially helpful to my work which generally focuses on early care and learning	11/29/2019 8:03 PM
8	It was great to build a more cohesive picture of what T/TA looks like across state. Find opportunities for follow up later on	11/27/2019 8:28 PM
9	its always great to put a face with a name	11/26/2019 6:06 PM
10	I thought it was fantastic to have so many early childhood stakeholders come together to listen, learn and share.	11/26/2019 5:05 PM
11	The summit was organized very well. Nancy did a wonderful job coomunicating with presenters and providing feedback on slides.	11/26/2019 4:59 PM
12	Such a great idea to pull everyone together!	11/26/2019 4:39 PM
13	More specific information about the TA that is provided- some agencies did more of an overview rather than relating it to TA.	11/26/2019 3:06 PM
14	Great contacts and resources/great to put a face with a name.	11/26/2019 3:06 PM

Q2 What would you change about the format to make it more useful?

Answered: 22 Skipped: 14

#	RESPONSES	DATE
1	As you know, we ran out of time, so longer time slots for presentations would be good. Otherwise, I think it went very well.	12/5/2019 7:22 PM
2	More time for discussion. Possibly more than one day?	12/4/2019 9:13 PM
3	I think we tried to pack too much into the day.	12/3/2019 10:56 PM
4	I think the format was good. Probably next time should have more time for discussion.	12/3/2019 10:27 PM
5	Mix the groups up more. I sat with a group where they all knew each other and it was a little awkward to chime in.	12/3/2019 5:50 PM
6	Take home write ups in a uniform fashion from all TA providers...hard to keep track of from different ways of presenting.	12/3/2019 5:09 PM
7	Less time for introductions/presentations	12/3/2019 3:27 PM
8	Good start to the meetings - hopefully as we identify specific areas to better align, we can have subgroups that meet more often	12/3/2019 3:15 PM
9	I thought the format was good. Not sure if I would change it.	12/3/2019 2:31 PM
10	The format was fine for a first meeting. In the future, it would be great to have opportunity for deeper dive on strategies for focused work on alignment across funding streams and regulatory framework	11/29/2019 8:03 PM
11	More time to connect with the people in the room, especially since we got to hear a little snippet about their role/focus at the beginning. Would have been great to be able to follow up with people individually outside of lunch.	11/27/2019 8:28 PM
12	Have a separate meeting for NYC and the rest of NY. NYC is so different than the rest of the state.	11/27/2019 2:18 PM
13	Format was great. Only tweak I'd consider is asking each presenter about whether the T/TA provided could be open to other partners.	11/26/2019 5:05 PM
14	Receive resource materials prior to the meeting	11/26/2019 4:59 PM
15	Great hear about and make connections with other programs.	11/26/2019 4:16 PM
16	If speakers stuck to their time-frame and more opportunity to ask questions of the speakers	11/26/2019 3:20 PM
17	Maybe give specific questions for agencies to prepare to speak to ahead of time - so that the right information is shared.	11/26/2019 3:06 PM
18	I thought it worked well	11/26/2019 3:06 PM
19	NA	11/26/2019 2:54 PM
20	Believe it or not, we might need more space. Be more clear about the amount of time allotted for each speaker and provide a clear plan for them about what to present on. I'm not clear on how we are all connected - it seemed CCRR heavy - do we need to include DSS, CPS, WIC? Not sure how they should be involved.	11/26/2019 2:33 PM
21	perhaps have a few different break out sessions so that collaborations could be identified and supported.	11/26/2019 2:31 PM
22	It was solely info sharing, which is nice. It would have been nice to have a shared task to promote our thinking and processing of the info periodically throughout the presentations.	11/26/2019 2:27 PM

1	It was a good overview. Now need to talk about aligning efforts.	12/3/2019 10:56 PM	
2	It would be helpful to create a 'map'/diagram about all these entities and how they overlap, where they work. Also helpful to have a standard template that lists each one and the services it provides	12/3/2019 10:27 PM	
3	more information about all of them!	12/3/2019 3:15 PM
